PRODUCT FEATURES

REKORDBOX AND SERATO COMPATIBILITY
Use rekordbox or Serato DJ Lite for free by connecting your PC/Mac to the DDJ-FLX4. And if you want to upgrade to Serato DJ Pro, you can buy a license or subscription.
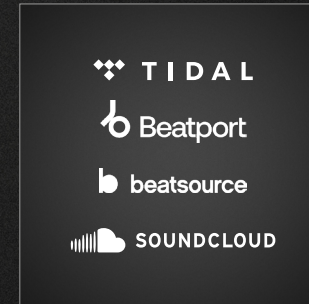

Smart CFX

Smart Fader

BRAND-NEW SMART MIXING FEATURES
Smart Fader automatically adjusts the volume, bass volume, and BPM of the music so you can smoothly transition from one track to the next by simply moving the channel faders or crossfader. And Smart CFX applies a combination of effects with a turn of one knob to add drama to the sound.

MULTI-DEVICE SUPPORT
Connect a PC or Mac to the DDJ-FLX4. And, if you use it with rekordbox for iOS/Android when the update becomes available in early 2023, you'll be able to connect to your iPhone, iPad, or an Android phone or tablet via Bluetooth® or a USB cable.

SEAMLESS INTEGRATION WITH SELECTED STREAMING SERVICES
rekordbox is compatible with the TIDAL, Beatport Streaming, Beatsource Streaming, and SoundCloud Go+ platforms (subscriptions required), so you can choose from millions of tracks and mix them together on the DDJ-FLX4.

USER-FRIENDLY, PORTABLE DESIGN
The layout of the controls on the DDJ-FLX4 makes it easy to learn to DJ and is inherited from professional Pioneer DJ products. Everything is simple to use and neatly arranged, so the controller is compact enough to take anywhere you want to practice or perform.

USB AUDIO OUTPUT FOR MICROPHONE SOUND
The DDJ-FLX4 blends the audio from the microphone with the music you're playing, so there's no need for an external mixer or soundcard – making the controller ideal for live-streaming.
