MOBILE PHONE CASES

Cover

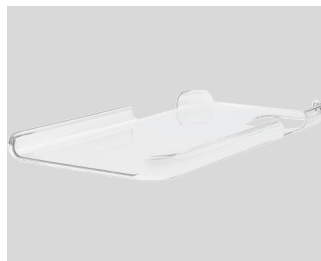

**hama**

**Cover**  
"Always Clear for Apple",  
Transparent

Material	Thermoplastic Polyurethane (TPU)
----------	----------------------------------

- Transparent mobile phone case without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration
- A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Scratch-resistant back cover: Keys, pens and coins don't bother the protective mobile phone case in trouser, hand and jacket pockets thanks to the anti-scratch material
- Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Non-slip material, does not slide easily out of the hand, off the table or other surfaces
- Ultra-slim design: does not stand out and preserves the smartphone's slimline shape

**Cover**  
"Eco Premium for Apple",  
Black

Material	Polycarbonate (PC), Polyurethane (PU), Recycled
----------	---

- Robust mobile phone case: noble combination of high-quality imitation leather and sturdy metal elements for long-lasting mobile phone protection
- Sustainable and resource sparing: made from 20% recycled materials – good for you and good for the environment
- Extra strong additional protection: the raised metal edges of the mobile phone case provide reliable protection for the protruding camera lenses without affecting the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- A clean sweep: the mobile phone cover also covers the side buttons - this protects against dust and the metal buttons allow a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Fingerprint-resistant surface: the high-quality imitation leather of the mobile phone cover avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean
- Softly bedded: super-soft inner lining to protect the sensitive back of the smartphone
- Non-slip, scratch-resistant faux leather does not slide easily out of the hand, off the table or other surfaces
- Flexibility: easy to attach to your smartphone

### Cover „Magnetic+Glass+Displayglass for Apple“, Black, Transparent

Productline	Prime Line
Material	Aluminium, Glass

- Impact-protected corners and edges thanks to high-quality, magnetic aluminium frame: the 16 magnetic points ensure that the 2-part magnetic cover is easy to attach, fits perfectly and remains securely positioned
- Shock protection - special protection from shocks
- Protection of the front and reverse of the smartphone from dirt and scratches
- Scratch-resistant, transparent back: the design of the smartphone remains visible
- Especially durable and robust screen protector made from 9H tempered glass
- Attaches in an electrostatic way, therefore no adhesive needed, can be removed without leaving any residue
- Antistatic microfibre cloth for cleaning the sensitive display
- Case-friendly: Fits all cases, covers and sleeves thanks to the special design
- The two-part protective cover can be removed and reused at any time
- Perfect-fit cut-outs allow unhindered operation
- Easy installation in just three steps: attach the cover, place the magnetic protective frame on top, and finally install the display protection glass
- Compatible with wireless charging

# Bags & Cases

MOBILE PHONE CASES

**hama**

**Cover**  
"Always Clear for Google",  
Transparent

Material	Thermoplastic Polyurethane (TPU)
----------	----------------------------------

- Transparent mobile phone case without yellowing: many years of enjoyment from your case as the special material composition prevents yellow discolouration
- A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Scratch-resistant back cover: Keys, pens and coins don't bother the protective mobile phone case in trouser, hand and jacket pockets thanks to the anti-scratch material
- Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Non-slip material, does not slide easily out of the hand, off the table or other surfaces- Ultra-slim design: does not stand out and preserves the smartphone's slimline shape- The structured inside with grid points avoids electrostatic suction so that no unsightly film forms between the protective cover and the back of the mobile phone- Flexibility: easy to attach to your smartphone

### Cover "Fantastic Feel for Samsung", Dark Blue

Material	Thermoplastic Polyurethane (TPU)
----------	----------------------------------

- A sophisticated hand flatterer: the surface of the protective cover in silky rubber-oil finish looks and feels good
- Non-sticky: special rubber oil surface prevents crumbs from sticking to the phone cover and allows the phone to be removed from trouser pockets, jacket pockets and handbags in one go
- A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Scratch-resistant back cover: rubber-oil finish exterior is resistant to keys, pens and coins in trouser, hand and jacket pockets
- Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos
- Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected
- Softly bedded: soft inner lining to protect the sensitive back of the smartphone
- Ultra-slim design: does not stand out and preserves the device's slimline shape
- Flexibility: easy to attach to your smartphone
- Compatible with wireless charging

**Cover  
„Magnetic+Glass+Displayglass  
for Samsung“, Black, Transparent**

Productline	Prime Line
Material	9H Glass, Aluminium

- Impact-protected corners and edges thanks to high-quality, magnetic aluminium frame: the 16 magnetic points ensure that the 2-part magnetic cover is easy to attach, fits perfectly and remains securely positioned
- Shock protection - special protection from shocks
- Protection of the front and reverse of the smartphone from dirt and scratches
- Scratch-resistant, transparent back: the design of the smartphone remains visible
- Especially durable and robust screen protector made from 9H tempered glass
- Attaches in an electrostatic way, therefore no adhesive needed, can be removed without leaving any residue
- Antistatic microfibre cloth for cleaning the sensitive display
- Case-friendly: Fits all cases, covers and sleeves thanks to the special design
- The two-part protective cover can be removed and reused at any time
- Perfect-fit cut-outs allow unhindered operation
- Easy installation in just three steps: attach the cover, place the magnetic protective frame on top, and finally install the display protection glass
- Compatible with wireless charging

# Bags & Cases

MOBILE PHONE CASES

## Booklet Case

**hama**

**Booklet Case  
"Daily Protect for Apple",  
Black**

Material	Polyurethane (PU), Thermoplastic Polyurethane (TPU)
Type of Closure	Magnetic Fastener

- Lay it down carefree: the raised edges on the back of the phone case provide protection for the protruding camera lenses without affecting the quality of the photos
- Additional protection for the mobile phone display: The mobile phone case has a raised edge all around - so the touchscreen is better protected
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener
- Fingerprint-resistant surface: the robust material of the mobile phone flip cover avoids ugly smears from fingerprints - and instead simply always looks fresh and clean
- Mobile phone case with wallet function: the 2 card compartments in the mobile phone case offer space for ID, cards, tickets, notes etc. - always at hand without having to search for your wallet
- Stand-up mobile phone case: stand function for convenient positioning of the smartphone for watching videos in landscape format

Material	Polyurethane (PU), Recycled, Thermoplastic Polyurethane (TPU)
Type of Closure	Magnetic Fastener

- All-round robust mobile phone case: elegant combination of high-quality imitation leather and sturdy metal elements for long-lasting mobile phone protection
- Sustainable and resource sparing: made from 20% recycled materials – good for you and good for the environment
- Extra strong additional protection: the raised edges made of noble metal in the mobile phone case back provide reliable protection for the protruding camera lenses without affecting the quality of the photos
- Additional protection for the mobile phone display: The mobile phone case has a raised edge all around - so the touchscreen is better protected
- A clean sweep: the mobile phone cover also covers the side buttons - this protects against dust and the metal buttons allow a perfect pressure point
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener
- Fingerprint-resistant surface: the high-quality faux leather of the mobile phone flip cover avoids ugly streaks from fingerprints - and instead simply always looks fresh and clean

Material	Polyurethane (PU), Thermoplastic Polyurethane (TPU)
Type of Closure	Magnetic Fastener

- Lay it down carefree: the raised edges on the back of the phone case provide protection for the protruding camera lenses without affecting the quality of the photos
- Additional protection for the mobile phone display: The mobile phone case has a raised edge all around - so the touchscreen is better protected
- Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket
- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener
- Fingerprint-resistant surface: the robust material of the mobile phone flip cover avoids ugly smears from fingerprints - and instead simply always looks fresh and clean

**Booklet Case "Universal, Eco, for Handygr. 7,5x15,3 cm", Red**

Productline	Essential Line
Material	Faux Leather
Type of Closure	Magnetic Fastener

- Fits like a glove: universal mobile phone case with adjustable holder can be customised to the size of the mobile phone, keeping everything free that needs to be kept free
- Always in shot: with the rotating holder, the mobile phone remains in the mobile phone bag even while taking a photo, keeping the smartphone protected throughout
- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener
- Mobile phone bag with wallet function: 2 small card compartments and one large card compartment spanning the entire inside in the mobile phone case offer space for IDs, cards, driving licences, notes, etc. - always to hand without rummaging around for your wallet
- Fingerprint-resistant surface: the robust material of the mobile phone flip cover avoids ugly smears from fingerprints - and instead simply always looks fresh and clean
- And so the circle closes: this product is made up of at least 20% recycled materials, enabling us to take part in an eco-friendly cycle
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

Material	Faux Leather
Type of Closure	Magnetic Fastener

- Fits like a glove: universal mobile phone case with adjustable holder can be customised to the size of the mobile phone, keeping everything free that needs to be kept free
- Always in shot: with the rotating holder, the mobile phone remains in the mobile phone bag even while taking a photo, keeping the smartphone protected throughout
- Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener
- Mobile phone bag with wallet function: 2 small card compartments and one large card compartment spanning the entire inside in the mobile phone case offer space for IDs, cards, driving licences, notes, etc. - always to hand without rummaging around for your wallet
- Fingerprint-resistant surface: the robust material of the mobile phone flip cover avoids ugly smears from fingerprints - and instead simply always looks fresh and clean
- And so the circle closes: this product is made up of at least 20% recycled materials, enabling us to take part in an eco-friendly cycle
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

## Outdoor Bag

**hama**

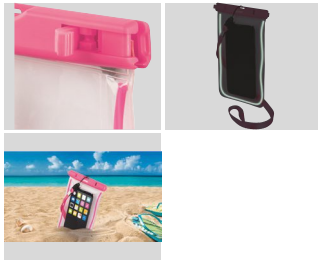

### Outdoor Bag "Finest Sports for Smartphones"

Material	Lyca
----------	------

- Reflective running pouch: silver reflector for better visibility at dusk and in the dark
- Whether it be water splashes or sweat: mobile phones are perfectly protected in water-repellent Lyca
- Stored safely in the bum bag during sports: large zipped pocket for smartphone, handkerchief etc. and a small pocket for keys, money and so on
- Always have sounds with you in the belt bag: handy opening for connecting headphones
- Sporty mobile phone bag for S to XL: with the length-adjustable, elastic strap with secure belt fastener, exercise and sport is great fun for everyone
- More freedom of movement during sport: space for smartphone and other small items such as keys, hankies and magnesium tablets in the separate compartments of the hip bag
- Sufficient space - slim design that does not interfere with movement
- Lining in the pouch keeps the smartphone, money, etc. dry and protects against dust and dirt
- Suitable for a hip circumference of 65 cm - 140 cm

**hama**

**"Finest Sports" Sports Waterproof Mobile Phone Case for Smartphones, Size XXL, black**

Material	Polyvinyl Chloride (PVC)
----------	--------------------------

- Whether in the water, by the water or on the water: thanks to IPX8, the waterproof mobile phone case is just as suitable for underwater photos while diving as it is for snapshots while swimming or beach photos
- Absolutely waterproof: use the open/close latch to activate the locking mechanism for secure and watertight closure
- Transparent mobile phone sleeve: smartphone can be operated through the touchscreen film
- Whatever you do during your outdoor activities around the water - with the waterproof mobile phone case you can make calls, take photos, write and listen to music without having to take the mobile phone out of the transparent waterproof case
- Beach walk, canoe trip or snorkelling: the carrying strap allows you to hold the waterproof mobile phone case securely in your hand or hang it comfortably around your neck like a neck pouch
- Luminous underwater mobile phone case: the fluorescent frame around the viewing window makes you and the phone case more visible at dusk and in the dark
- Suitable for smartphones with display up to 5.5" or dimensions up to 15.8 x 8 cm
- Passes, tickets, credit cards and cash can be stowed safely in the waterproof sleeve and protected from water, dust, dirt and sand

SCREEN PROTECTION

## Glass Screen Protector

## hama

### Glass Screen Protector „3D-Full-Screen „Anti-Bluelight + AntiBac“ for Apple“, Transparent

Protection Class	11
------------------	----

- Filters the blue light emissions from LED and LCD displays that are harmful to the retina of the eye for stress-free screen viewing
- The antibacterial surface with highly efficient silver ions inhibits the growth of micro-organisms
- Especially durable and sturdy screen protector made of toughened glass
- Maximum scratch protection thanks to 10H Nano Tech coating
- "Perfect touch" surface with anti-fingerprint coating
- EASY-ON®: Attachment aids to simplify attaching the protective glass using an innovative EASY-ON® mounting frame
- Antistatic microfibre cloth for cleaning the sensitive display
- Case-friendly: Fits all cases, covers and sleeves thanks to the special design
- Perfect, unadulterated colour brilliance compared to the blue light filter integrated into the smartphone
- Blue light means stress for the eyes and body: screen protection with a blue filter reduces eye irritation and sleep disturbance
- Protects the entire front thanks to rounded edges
- Scratch-resistant, increasing the smartphone's service life and value
- Easy to attach and to remove without leaving any residue
- Designed in Germany

### Glass Screen Protector „3D-Full-Screen „Anti-Bluelight + Anti-Bac“ for Samsung“, Transparent

Protection Class	11
------------------	----

- Filters the blue light emissions from LED and LCD displays that are harmful to the retina of the eye for stress-free screen viewing
- The antibacterial surface with highly efficient silver ions inhibits the growth of micro-organisms
- Especially durable and sturdy screen protector made of toughened glass
- Maximum scratch protection thanks to 10H Nano Tech coating
- "Perfect touch" surface with anti-fingerprint coating
- EASY-ON®: Attachment aids to simplify attaching the protective glass using an innovative EASY-ON® mounting frame
- Antistatic microfibre cloth for cleaning the sensitive display
- Case-friendly: Fits all cases, covers and sleeves thanks to the special design
- Perfect, unadulterated colour brilliance compared to the blue light filter integrated into the smartphone
- Blue light means stress for the eyes and body: screen protection with a blue filter reduces eye irritation and sleep disturbance
- Protects the entire front thanks to rounded edges
- Scratch-resistant, increasing the smartphone's service life and value
- Precise cut-outs for the speaker
- Easy to attach and to remove without leaving any residue

### Lens Screen Protector "For Apple", Transparent

- Especially durable and robust camera protection made from tempered glass: perfect-fit and strong protection for the camera lenses of the Apple iPhone 15 Pro and iPhone 15 Pro Max – prevents shattering, breakage and scratching of the camera lenses
- No photo impairment: the mobile phone camera glass offers protection for the projecting camera lenses without impairing the quality of the photographs – for a carefree way to take pictures and videos
- Case-friendly: the special design means it fits all bags, covers and sleeves – the iPhone camera protection for the smartphone camera complements the all-round protection for the Apple iPhone
- Everything included: a microfibre cloth for cleaning the sensitive camera lenses as well as assembly instructions are supplied – perfectly polish the lenses and apply the protective glass correctly and securely
- Fast and straightforward attachment: use the enclosed microfibre cloth to clean the camera lenses of the Apple iPhone 15 Pro or iPhone 15 Pro Max, peel the camera protection glass off the backing material, stick it in place, done!

Charger

**hama**

**Charger  
"USB Type-C, 3 A", Black**

Connection	USB-C-plug
Output Voltage/Output Current	5V/ 3A
Max. Output Power	15 W

- Superior premium quality with respect to workmanship and performance
- Charging current of max. 3 A for fast charging
- Charging process optimized for the device which guarantees maximum charging speed
- Connected devices are automatically recognized and optimally charged
- Optimized charging process saves the battery thus extending its service life
- Easy and quick connection thanks to the USB-C plug that can be used on both sides
- Mains supply of 100V-240V suitable for worldwide use in conjunction with a country-specific adapter
- Intelligent and safe charging: overcharge, overvoltage and short circuit protection
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Compact design

Charger Set

**hama**

**Charger Set**  
"Mini, USB-C, 25 Watt PD"

Connection	USB-C-plug
Charge Technology	Power Delivery, Quick Charge™ 2.0, Quick Charge™ 3.0
Output Voltage/Output Current	3,3 - 5,9V/ 3A, 3,3-11V/ 2,25A, 5V/ 3A, 9V/ 2,77A
Max. Output Power	25 W

- Perfect for smartphones with high charging power: charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generations since these often no longer come with chargers included when purchased
- Maximum compatibility: Power Delivery can be used anywhere, making it ideal for smartphones, AirPods, tablets and power packs
- Connected devices are automatically recognized and optimally charged
- Optimized charging process saves the battery thus extending its service life
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Everything included: Charging set consisting of charger and charging cable
- Smart and safe charging: overcharge, overvoltage and short circuit protection, IC with temperature protection
- Supports Power Delivery and Qualcomm® Quick Charge™ 2.0/3.0 technology, which guarantees extra-quick charging, faster than with conventional charging technologies
- Max. output power: 25 Watt
- For on the go: small and lightweight power supply unit, fits in every bag and hand luggage
- Compact design does not block other sockets

**Fast Charger, 2x USB-C PD, 1x USB-A QC, Mini-Charger, 65 W, white**

Connection	Euro Plug
Charge Technology	Power Delivery
Input Voltage Range from/to	240-100 V
Max. Output Power	65 W

- Choose turbo mode: the fast charger charges many times faster than a conventional 5-Watt charger - charging speed with Power Delivery up to 65 Watt, additionally supports Qualcomm® Quick Charge™
- Perfect for smartphones with high charging power: charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generations since these often no longer come with chargers included when purchased
- Powerful GaN charger: super-efficient with low heat development and all in a compact and lightweight design made possible by components made from gallium nitride
- Ideal for simultaneously and quickly charging several devices via USB-A or USB-C
- Power for three: high-quality multi-way USB charger with three ports for charging three up to devices at the same time, e.g. phone, laptop, tablet or power pack
- Maximum compatibility: Power Delivery and Qualcomm® Quick Charge™ 3.0 can be used universally, so are suitable for smartphones, AirPods, tablets, power packs and notebooks

**Charging adapter "2-Way USB, 2.4 A, 4-Pack"**

Productline	Basic Line
Connection	USB-Typ-A-Coupling
Input Voltage Range from/to	100-240 V
Output Voltage/Output Current	5V/ 2,4A

- Charging current of max. 2,4 A for fast charging
- Ideal for quickly charging several devices via USB at the same time
- Charging process optimized for the device which guarantees maximum charging speed
- Connected devices are automatically recognized and optimally charged
- Optimized charging process saves the battery thus extending its service life
- Smart and safe charging: overcharge, overvoltage and short circuit protection
- USB output: 2x 5V/1200 mA
- Refill pack for display 00210540

Max. Output Power	20 W

- Choose turbo mode: the fast charger charges many times faster than a conventional 5-Watt charger - charging speed with Power Delivery up to 20 Watt, additionally supports Qualcomm® Quick Charge™
- Perfect for smartphones with high charging power: charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generations since these often no longer come with chargers included when purchased
- Power for two: high-quality USB charger with one USB-C and one USB-A port for charging up to two devices at the same time, e.g. two smartphones
- Maximum compatibility: Power Delivery can be used anywhere, making it ideal for smartphones, AirPods, tablets and power packs
- Supports Power Delivery and Qualcomm® Quick Charge™ 2.0/3.0 technology, which guarantees extra-quick charging, faster than with conventional charging technologies
- Perfect quick charging plug for on the go and at home: small and lightweight power supply unit that fits in any bag or hand luggage and, thanks to its compact design, doesn't block any other sockets
- Optimized charging process saves the battery thus extending its service life

**Charging adapter  
"Mini, Power Delivery (PD)/  
Qualcomm, 20 Watt"**

Connection	USB-C-Connector
Charge Technology	Power Delivery, Quick Charge™ 2.0, Quick Charge™ 3.0
Input Voltage Range from/to	100-240 V
Output Voltage/Output Current	5V 3A, 9V 2,22A, 12V 1,67A
Max. Output Power	20 W

- Perfect for smartphones with high charging power: charge devices at high speed, to 60% in 30 minutes, ideal for devices of the latest generations since these often no longer come with chargers included when purchased
- Also ideal for Apple iPhone: iPhone 11, 11 Pro, 11 Pro Max, SE, 12, 12 mini, 12 Pro, 12 Pro Max, 13, 13 mini, 13 Pro, 13 Pro Max, 14, 14 Plus, 14 Pro Max, can be used from iPhone 8
- Maximum compatibility: Power Delivery can be used anywhere, making it ideal for smartphones, AirPods, tablets and power packs
- Supports Qualcomm® Quick Charge™ 2.0/3.0 technology as this guarantees extremely fast charging
- Intelligent chip set for safe charging: overloading, excess current and short circuit protection, IC with temperature protection
- Optimized charging process saves the battery thus extending its service life
- Connected devices are automatically recognized and optimally charged
- High-quality USB charger for long-term use

Max. Output Power	20 W

- Superior premium quality with respect to workmanship and performance
- The USB-C connection and the new Lightning connector support the Apple iPhone's fast charging function with a Power Delivery (PD) charger
- Charging current of max. 3 A for fast charging
- Charging process optimized for the device which guarantees maximum charging speed
- Connected devices are automatically recognized and optimally charged
- Optimized charging process saves the battery thus extending its service life
- Highly intelligent Power Delivery chip-set automatically detects connected devices for efficient and optimised charging
- Convenient and fast connection through reversible USB-C socket
- Specially optimised inner conductors that are ideal for charging smartphones and tablets
- Charger for easy charging in a car/ lorry
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- LED function indicator gives information about the device status
- Smart and safe charging: overcharge, overvoltage and short circuit protection

**Car Quick Charger with Lightning Charging Cable, PD, 20 W, 1 m, white**

Connection	Cigarette Lighter Plug, Lightning connector
Charge Technology	Power Delivery
Output Voltage/Output Current	5V 3A, 9V/ 2,22A, 12V/ 1,67A
Max. Output Power	20 W

- Power Delivery technology guarantees extremely fast charging
- The USB-C connection and the new Lightning connector support the Apple iPhone's fast charging function with a Power Delivery (PD) charger
- Maximum compatibility: Power Delivery can be used anywhere, making it ideal for smartphones, AirPods, tablets and power packs
- Highly intelligent Power Delivery chip-set automatically detects connected devices for efficient and optimised charging
- Optimized charging process saves the battery thus extending its service life
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Perfect in the car: small and lightweight charging kit comprising charger for the cigarette lighter socket and charging cable
- Smart and safe charging: overcharge, overvoltage and short circuit protection, IC with temperature protection
- Supports the Power Delivery technology
- Max. output power: 20 Watt
- LED function indicator provides information about the device status

## "FC10 Motion" Car Mobile Phone Charger, 10 W, Wireless, Qi Charge, black

Charge Technology	Wireless Fast Charge
Max. Output Power	10 W

- Automatic, electromechanical holding jaws for a secure grip of the smartphone
- Mobile charger for practical charging in cars / trucks
- Device can be conveniently inserted in the mobile phone holder with one hand and triggers automatic closing of the holding jaws
- Compact design for space-saving attachment - ideal in the car
- Inductive charging technology for the wireless charging of compatible smartphones
- Wireless charging of smartphones with Qi technology
- Wireless fast charge technology guarantees extremely fast charging
- Connected devices are automatically detected and optimally charged
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- Smartphones in wireless charging-compatible cases do not have to be removed and can be charged wirelessly right away
- LED function indicator gives information about the device status
- That tedious search for a charging cable and the tangle of cables are no more thanks to the wireless charger

Max. Output Power	15 W

- The combination of wireless charging and magnetic mobile phone holder makes access to the smartphone easier. The device is securely attached without tedious tangled cables
- The ball joint allows the angle of inclination of the smartphone holder to be adjusted individually. The iPhone can also be rotated 360° on the holder and positioned in portrait or landscape format
- The integrated magnetic ring means that the Apple iPhone 15, iPhone 15 Plus, iPhone 15 Pro, iPhone 15 Pro Max, iPhone 14, iPhone 14 Plus, iPhone 14 Pro, iPhone 14 Pro Max, iPhone 13, iPhone 13 mini, iPhone 13 Pro, iPhone 13 Pro Max, iPhone 12, iPhone 12 mini, iPhone 12 Pro, iPhone 12 Pro Max can be easily docked to the charger and perfectly positioned for efficient charging without any tedious alignment by hand
- Perfect auto-positioning, optimised for wireless chargers
- Mobile charger for practical charging in cars / trucks
- Inductive charging technology for the wireless charging of compatible smartphones
- The induction charger works with all Apple MagSafe-compatible and Hama MagLine products
- Wireless fast charge technology guarantees extremely fast charging
- Connected devices are automatically detected and optimally charged
- Optimized charging process saves the battery thus extending its service life

### Wireless Qi2 Charging Pad, 15W, Wireless Fast Charger, Magnetic, black

Charge Technology	Wireless Fast Charge
Max. Output Power	15 W

- Qi2 charger in high-quality design for the desktop: simply place the smartphone on the charging pad with the Qi2 standard and charge
- The integrated magnetic ring means that compatible devices can be easily docked onto the charger and perfectly positioned for efficient charging - without any fiddly manual alignment
- Universal Qi2 standard: the induction charger works with all Apple MagSafe-compatible and Hama MagLine products
- High-quality and sturdy metal housing with a sophisticated finish
- Wirelessly charge smartphones and other compatible devices with Qi2 technology
- Wireless fast charge technology guarantees extremely fast charging
- Smartphones in wireless charging-compatible cases do not have to be removed and can be charged wirelessly right away
- Connected devices are automatically detected and optimally charged
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- Table charger in appealing design looks good, feels good and fits perfectly in every office and home environment
- That tedious search for a charging cable and the tangle of cables are no more thanks to the wireless charger
- Wireless fast charge: fast charger with charging speeds of up to 15 W

### Wireless Charger "Apple Watch, USB-C charging station magnetic"

- The integrated magnet means that all Apple Watch generations can be easily docked onto the charger and perfectly positioned for ideal charging - without any fiddly manual alignment
- Wireless charging pad in high-quality, handy design for desks and ideal for on the go: simply place the Apple Watch on it and charge
- Apple Watches placed on it are automatically detected and optimally charged
- Guarantees maximum charging speed with charging optimised for the smartwatch
- Optimized charging process saves the battery thus extending its service life
- That tedious search for a charging cable and the tangle of cables are no more thanks to the wireless charger
- Charging begins automatically after the Apple Watch is docked
- To end the charging process, simply remove the smart watch from the wireless charging pad
- Smart charging technology: wireless inductive technology for all Apple Watch generations
- Safe and intelligent charging: Overcharge, overvoltage and short circuit protection as well as foreign body recognition for maximum safety for smart watches, batteries and chargers
- Charger can be charged from the USB-C port on the Power Pack, laptop or a socket adapter
- Cover cap protects the USB-C port from dust and other particles of dirt

### "MagCharge Multi" Wireless Charging Station for Apple iPhone, AirPods and

Charge Technology	Wireless Fast Charge
Max. Output Power	15 W

- Wireless charging station for simultaneous charging of compatible Apple iPhones, AirPods, Watch, etc.: Simply place and charge
- Two coils enable the simultaneous charging of 3 Apple devices on the inductive charging station, e.g. iPhone, AirPods and Watch
- The integrated magnetic ring means that the Apple iPhone 15, iPhone 15 Plus, iPhone 15 Pro, iPhone 15 Pro Max, iPhone 14, iPhone 14 Plus, iPhone 14 Pro, iPhone 14 Pro Max, iPhone 13, iPhone 13 mini, iPhone 13 Pro, iPhone 13 Pro Max, iPhone 12, iPhone 12 mini, iPhone 12 Pro, iPhone 12 Pro Max can be easily docked to the charger and perfectly positioned for efficient charging without any tedious alignment by hand
- The induction charger works with all Apple MagSafe-compatible and Hama MagLine products
- For every viewing angle: the smartphone holder can be inclined by just a few degrees so that you can view your iPhone with a relaxed neck. You can rotate the smartphone itself on the wireless charger around 360° to suit, or position it in portrait or landscape format
- Inductive charging technology for the wireless charging of compatible smartphones
- Wireless fast charge technology guarantees extremely fast charging

### Power Pack "SLIM 5HD", 5000 mAh

Connection (Input)	USB Micro B Socket
Connection (Output)	USB-Typ-A-Coupling
Component	Micro-USB-Cable

- The power pack provides an energy boost on the go
- High-density cells allow a more compact and lightweight construction than conventional cells
- Certified cells guarantee the highest safety standard and top quality
- Optimized charging process saves the battery thus extending its service life
- Easy recharging of smartphones and other mobile devices
- Ideal companion with energy "to go": for a new boost of energy simply connect the smartphone and the power pack with the cable
- Simple charging on a USB charger (not included in the extent of delivery) via micro-USB charging cable
- Universal use
- Integrated LED capacity indicator
- Overload protection, deep discharge protection, short circuit protection
- TÜV-certified

**Bluetooth Audio Adapter**

**hama**

**"BT-Senrex" Bluetooth®  
Audio Transmitter/Receiver,  
2-in-1 Adapter, black**

Connection	3.5 mm Jack Plug
Max. Range	10 m
Bluetooth Version	5.0
Max. Operating Time	12 h

- Transmitter: Music transmission from a TV set, PC/notebook, stereo system, etc. to a Bluetooth-compatible headphone, loudspeaker, etc.
- Receiver: Music transmission from a smartphone via Bluetooth to a non-Bluetooth-enabled device, for example, headphones, loudspeaker, HiFi system and surround sound system
- APTX technology for better audio quality despite the limited bandwidth with Bluetooth
- Optional selection between transmitter and receiver mode
- When used as a transmitter, up to 4 receivers can be stored and the audio signal can be sent simultaneously to 2 Bluetooth devices
- Battery run time up to 13 hours in transmission mode (TX)
- When used as a receiver, up to 8 transmitters can be stored and the audio signal can be received by a Bluetooth device
- Battery run time up to 12 hours in receiving mode (RX)
- Can be paired with any Bluetooth-compatible device (e.g. smartphone, headphones, loudspeaker, etc.)
- Integrated battery: simple charging at suitable USB chargers via the micro-USB charging cable
- Perfect for portable use thanks to handy matchbox size measuring 44 x 44 x 13 mm and weighing just 20 g

Black					<b>00184154</b>
		10	HB		

**hama**

**"BT-Rex" Bluetooth® Audio  
Receiver, black**

Connection	3.5 mm Jack Plug
Max. Range	10 m
Bluetooth Version	5.0
Max. Standby	120 h
Max. Operating Time	9 h

- Receiver: Music transmission from a smartphone via Bluetooth to a non-Bluetooth-enabled device, for example, headphones, loudspeaker, HiFi system and surround sound system
- Up to 8 audio sources can be saved, with only one Bluetooth device being able to receive the audio signal in each case
- Battery operation for up to 9 hours
- Can be paired with any Bluetooth-compatible device (e.g. smartphone)
- Allows the key functions of the paired device to be controlled, e.g. volume, song tracking (provided this is supported by the device)
- Telephone with the hands-free function thanks to integrated microphone
- Hands-free function can be controlled with the multi-function button, e.g. accept / reject / end calls, last number redial, activate voice dialling (where supported by the device)
- Integrated battery: simple charging at suitable USB chargers via the micro-USB charging cable
- Perfect for portable use thanks to compact, matchbox size measuring 44 x 44 x 15 mm and weighing just 15 g
- Also equipped with a handy holding clip
- Bluetooth-compatible audio source

SMARTPHONE PHOTOGRAPHY

## Selfie Stick

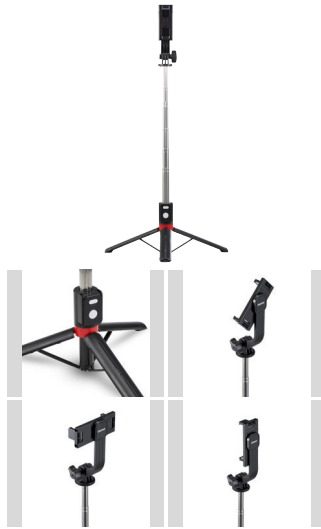

**hama**

"Fancy Stand 170" Selfie Stick Tripod for Mobile Phone, Bluetooth® Remote Trigger, blk

Clamping Range From	6,5 cm
Maximum Length	170 cm
Minimum Length	38 cm

- Flexible 2-in-1 construction: fold out the handle of the mobile phone stick and set it up as a smartphone tripod - ideal for spontaneous photos and videos at home, in the studio and when travelling
- From influencer to video star: the mobile phone tripod offers the perfect height for any content creator - ideal for all online formats including YouTube, Twitch, Instagram, TikTok and more
- Plenty of room for manoeuvre: with the infinitely adjustable telescopic rod, this selfie monopod stand opens up completely new perspectives - fully extended or very small as a table tripod (total height 38 cm to 170 cm)
- Ultra-light: the folding, lightweight travel tripod with mobile phone holder weighs just 0.26 kg so you can always bring it with you – capture every moment perfectly, anywhere
- Small and handy mobile phone tripod: the travel tripod with small packed dimensions of just 31 cm is easy to transport and store – the small tripod for on the go for holidays, hiking and outdoor trips
- Relaxed arrangement and in the picture: Bluetooth shutter release for brilliant selfies, group photos and videos - high-quality, authentic images, the outstretched selfie arm is a thing of the past

Black	00004662

**hama**

"Fancy Stand 110" Selfie Stick Tripod for Mobile Phone, Bluetooth® Remote Trigger, blk

Clamping Range From	6,5 cm
Clamping Range Up To	9.5 cm
Maximum Length	110 cm
Minimum Length	31 cm

- Its compact size makes it ideal for travelling, holidays, hikes and outdoor trips
- Selfie Monopod / Selfie Stick:
  - For selfie photos and videos, blogs, ideal for trips and for on the go
  - Completely new perspectives are possible with this selfie monopod
  - Perfect selfie stick for streaming, gaming, cooking and DIY hobbies
  - Telescopic bar extendable up to 110 cm for a wider field of action, e.g. on selfie or group shots, concerts
  - Rotation-proof telescopic bar thanks to guide groove
  - With smartphone quick clamp for quick smartphone attachment
  - Rotating smartphone holder for portrait and landscape format
  - Extremely flexible for a smartphone width from 6.5 to 9.5 cm (landscape format)
  - Clamp spring holder ensures a firm grip, with rippled rubber pads on the resting surface to protect the smartphone
- Bluetooth trigger:
  - Removable Bluetooth trigger for smartphone and tablet cameras
  - Connection via Bluetooth directly with the smartphone, no additional app
  - Allows unusual photo and selfie perspectives

Black	00004661
6	HB

**hama**

"Fun 70" Selfie, Bluetooth®, black

Clamping Range From	5,5 cm
Clamping Range Up To	8.5 cm
Maximum Length	70 cm
Minimum Length	20.5 cm

- Telescopic bar extendable up to 70 cm for a wider view, e.g. for selfies and group selfies, concerts
- Twist-proof telescopic rod through guide groove
- Connection via Bluetooth directly with the smartphone, no additional app required
- Allows unusual photo and selfie angles
- For selfie photos and videos, blogs, ideal for trips, for life on the move and for action photography
- Better focusing, faster snapshots, resulting in better pictures and sharp, un-blurred selfies
- This selfie monopod opens up completely new perspectives
- With smartphone quick clamp for quick attachment to the smartphone
- Non-slip rubber grip for firm, secure grip
- Extremely flexible, for a smartphone width from 5.5 - 8.5 cm (in horizontal format)
- Compact design
- Clamp spring holder ensures firm grip
- Independent of self-trigger mode
- USB connection: micro USB 2.0

Black	00004315
6	HB

## Wireless Shutter Release

**hama**

"BRS3" Bluetooth® remote shutter release

Bluetooth Version	4.0
-------------------	-----

- Connection via Bluetooth directly with the smartphone or tablet
- Allows unusual photo and selfie angles
- For selfie photos and videos, blogs, ideal for trips, for life on the move and for action photography
- Better focusing, faster snapshots, resulting in better pictures and sharp, un-blurred selfies
- If the smartphone or tablet is positioned in a suitable spot, both arms can remain free - the extended selfie arm is passé
- Safe photography in high-action situations
- Perfect for party and group shots because the range of up to 10 m allows a much wider image field
- Independent of self-trigger mode
- Small and compact, the Bluetooth shutter release can go anywhere

Black	00004639
24	HB

## Tripod

### hama

**Tripod for Smartphone/Tablet, 106 - 3D**

Thread/Connection	1/4" (6.4 mm), Smartphone holder, Tablet holder
Leg Segments	4 Sections (3x Extendible)
Material	Aluminium
Maximum Load	500 g
Tripod Head	3D: 3-Way Head
Type	Tripod
Min. Height - Max. Height	36,5 -106 cm
Maximum Profile Thickness	16.8 mm
Weight	520 g

- Camera Tripod:
- Camera tripod for blur-free images and stability on uneven surfaces
- 3D: 3-way head allows perfect orientation for level, horizontal and portrait-format snaps
- Quick-change plate for rapid changing of the camera
- Spirit level integrated into the tripod head
- Infinite height adjustment of the central pillar
- Cross-struts and rubber feet for secure stand
- Functional quick-action leg locks for fast and simple locking of the leg length in any position

#### Smartphone / Tablet Holder:

- with this holder, all smartphones and tablets can be attached to tripod
- Screw-connected universal holder for devices without tripod socket
- Extremely flexible for a smartphone width from 5.5 to 8.2 cm and a tablet width from 11.2 to 18.5 cm (in horizontal format)

### hama

**"Traveller Pro" Tripod for Smartphones, GoPros, Photo Cameras, 105 - Ball**

Thread/Connection	1/4" (6.4 mm), GoPro, Smartphone holder
Leg Segments	8 Sections (7x Extendible)
Material	Aluminium
Tripod Head	Ball Head
Type	Tripod
Min. Height - Max. Height	23 -105 cm
Maximum Profile Thickness	19 mm
Weight	455 g

- Its compact size makes it ideal for travelling, holidays, hikes and outdoor trips
- Sensational, versatile photos and videos from original perspectives and unusual places
- For selfies and videos, perfect for video diaries, blogs and ideal for travel and out and about
- No more wobbly, skewed selfies
- Tripod leg covered with high-quality, durable rubber with a honeycomb pattern for outstanding grip
- Rotary ring on the tripod head allows a wide or narrow spread of the tripod legs depending on the setting
- Extremely flexible, suitable for a smartphone width from 4.8 – 9.5 cm (in horizontal format) thanks to the double extendable clamp spring holder
- Foam padding on the holder protects the smartphone case from scratches
- Patterned rubber feet for firm grip on smooth, slippery and uneven surfaces
- Space-saving design: the smartphone holder can be folded

„Solid“ tripod for mobile phone and camera, travel tripod with ball head, max. 19 cm

Thread/Connection	1/4" (6.4 mm), Smartphone holder
Material	Plastic Material
Tripod Head	3D Ball Head
Type	Tripod
Min. Height - Max. Height	16 -19 cm
Weight	270 g

- Classic meets punk: with the mobile phone holder, the tripod can be used as both a classic camera tripod and an innovative mobile phone tripod
- Professional mini tripod: stable and robust workmanship with high-quality materials and screwed-in rather than bonded components to guarantee a tripod with a long service life
- With lightweight luggage: the small, stable travel tripod is always with you - with its small packed dimensions, it is the ideal tripod for on the go
- Small, but flexible: the height of the tripod legs can be adjusted in 4 stages, very easily via a sliding locking mechanism with the press of a button on the inside of the tripod legs
- Variety in mini format: selfies, video diaries and blogs - the camera tripod with fold-in tripod legs can easily be used as a selfie stick
- Brings movement to life: the ball head allows perfect orientation for recording in portrait and landscape format
- Tripod legs can be adjusted individually in order to adapt the tripod perfectly to different substrates and images

## Headset Wireless

**hama**

### Headset Wireless "MyVoice1300, Multipoint", In-Ear

Bluetooth Version	5.0
Weight	12 g
Charging Method	USB docking station
Charging Time in Hours	2 h

- Supports the voice assistants Siri and Google Assistant: Bluetooth pairing and a multi-function button allow direct access - without having to hold the smartphone
- CVC 6.0 technology improves the speech quality of the microphone: environmental noise is actively suppressed, so that only the actual voice reaches the conversation partner
- With the custom-fit USB charging station, you can supply new power to the headset at any time, e.g. in the car, on the power pack or on the notebook.
- Allows simultaneous connection of the headset with two smartphones
- Silicone earbuds in three different sizes (S, M, L) for an individual, perfect fit
- To accept a call, simply remove the headset from the charging station
- USB charging station: magnetic holder for the headset when not in use
- Volume control
- Headset status announcement (in English), for e.g. successful connection, max. volume or low battery
- Charge status can be checked on iOS and Android devices (if supported by the device)
- Bluetooth-enabled device

Black	<b>00177060</b>

### Headset Wireless "MyVoice2100, multipoint, voice control", In-Ear

Bluetooth Version	5.0
Max. Music time	6 h
Weight	26 g
Charging Method	Micro USB Socket
Charging Time in Hours	2 h

- Custom-fit: Charging station in the shape of a dish ensures a secure stand and tidiness on the table
- Simple handling: The charging tray can be conveniently attached to the car's ventilation grille via a clip - for quick access to the Bluetooth headset while driving
- Always within reach: the 80 cm charging cable allows flexible placement of the charging cradle in the car and on the office desk - so the charged headset is always within reach
- Easy to use: Smartphone functions can be controlled via the multi-function button directly on the mono in-ear headset (e.g. make / reject calls / last number redial / music)
- One-ear headset for 2 devices: multipoint allows headsets to be connected to two smartphones simultaneously
- Convenient voice control: supports the Siri and Google Assistant voice assistants
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- The right size for the ear: the ear hooks in two different sizes (S, L) allow an ergonomic grip on the ear without pressing

- Supports the Siri and Google Assistant voice assistants
- Allows simultaneous connection of the headset with two smartphones
- Whether it be a long phone call or many short ones: with a talk time of up to 15 hours, you'll have plenty of time to talk about everything you want
- Silicone earbuds in three different sizes (S, M, L) for an individual, perfect fit
- Extra-long standby time: 280 hours, no constant recharging required when not in use
- Smartphone function can be controlled via multi-function button (e.g. accept / make / reject calls / last number redial)
- Music control functions (play/pause)
- Volume control can be regulated directly on the headset or via the voice assistant
- Removable ear hooks
- Charge status can be checked on iOS and Android devices (if supported by the device)
- Bluetooth-enabled device

- For highest demands in the premium sector the cover is made of one piece
- The scratch-resistant surface is easy to clean when dirty
- The ultra-thin cover made of real carbon is only 0.65 mm thick and therefore very light and hardly noticeable
- For better handling the cover is extra protected by a rubberized layer
- The carbon look gives your smartphone an individual stealth look
- The cover fits perfectly to Samsung Galaxy S23 - so the buttons and ports are not affected in their function
- The protective cover supports wireless charging according to Qi standard

# Headsets

## Headset Wireless

### Headset Wireless "ANC, Connect 5t", Ear-Buds, In-Ear

Bluetooth Version	5.2
Max. Music time	7 h
Weight	40 g
Charging Method	USB-C socket
Charging Time in Hours	3 h

- The Hybrid Active Noise Cancellation (ANC) of the Connect 5t In-Ear Bluetooth Headphones blocks more background noise for better focus
- 6-mic call technology with dedicated microphones to give you clear calls for virtual meetings
- Bluetooth Multipoint keeps you connected to two devices, like a smartphone and a tablet, at once
- Easy pairing with Google Fast Pair & Microsoft Swift Pair
- With up to 7 hours of battery life and up to 28 hours when paired with the charging case, the Bluetooth headphones grants all-day work calls
- With fast charging function
- Wireless charging pad included
- Fine-tuned 6mm speakers of the Jabra Connect 5t headphones provide rich, satisfying sound, in and out of office hours
- The compact fit of the true wireless earbuds makes them comfortable to wear all day long
- Water and dust resistant (IP55 rated)
- Always hands free: access to Alexa or Google Assistant via voice command
- Operating system: Windows 10 or higher

### Headset Wireless "Elite 4", Ear-Buds, In-Ear

Bluetooth Version	5.2
Max. Music time	28 h
Weight	33.4 g
Charging Method	USB-C socket
Charging Time in Hours	3.5 h

- Smooth switching with Bluetooth-Multipoint: Simultaneously connect with two different devices and switch seamlessly between them with Bluetooth Multipoint
- Easy pairing with Swift Pair: Connecting is a breeze. Pair with your Android device or PC in seconds. Fast Pair and Swift Pair are both on board
- Active Noise Cancellation (ANC): Filter out the rumble and roar of the world so you can be where you want to be. With ANC there is no unwanted outside noise
- High comfort & durability: Listen up in comfort all day. The famous Jabra fit feels just right. The earbuds are small and secure. Engineered for durability, with IP55-rated rainproof protection
- 4-microphone call technology: With 4-microphone technology you're going to be heard loud and clear
- Long battery-life: The batteries deliver up to 5.5 hours in the buds and a total of 22 hours with the case (28 hours ANC off), so you can take on the longest days
- Use either earbud: Go solo in mono mode and use either earbud while the other charges in the sleek case
- Bluetooth enabled device

### Headset Wireless "Elite 4 Active with ANC", Ear-Buds, In-Ear

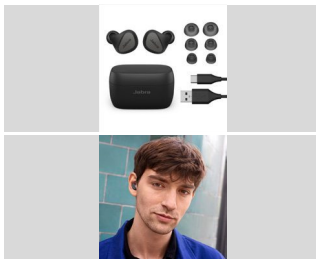

Bluetooth Version	5.2
Max. Music time	7 h
Weight	47,5 g
Charging Time in Hours	3 h

- Firm grip for your active lifestyle: the Jabra Elite 4 Active In-Ear Bluetooth headphones have an ergonomic design without EarWings
- Long-lasting performance for daily use: the Jabra Sport Earbuds are perfect for workouts, being waterproof and sweat-resistant with a 2-year warranty
- Active noise cancelling (ANC): the Jabra Elite 4 Active Bluetooth headphones suppress interference sound, allowing you to concentrate on your training
- Your music the way you like it: adjust the settings for richer bass sounds or subtler trebles using the customisable equaliser
- Full attention thanks to the HearThrough function: hear what's going on around you
- Crystal-clear calls in noisy environments: four microphones for outstanding voice quality in calls on the move
- Compact size - and extremely powerful performance: Jabra headphones offer up to 7 hours of battery time and up to 28 hours in conjunction with the charging case and quick-charge function
- Use the earbuds individually in mono mode too: the flexible Jabra Elite 4 Active Sport earbuds offer maximum flexibility while training

## Headset Wireless "Elite 10", In-Ear

Bluetooth Version	5.3
Max. Music time	27 h
Weight	57.3 g
Charging Time in Hours	3 h

- The Jabra Elite 10 Earbuds ensure crystal clear calls through precise voice transmission during work and life. The 6-microphone calling technology captures your voice, not the sounds around you – even when you're on the go
- The Elite 10 take your listening experience to the next level. They integrate authentic 3D sound with Dolby Head tracking and 10mm speakers, providing an even richer Dolby Atmos sound experience
- With a battery life of up to 6 hours and with up to 27 hours in conjunction with the charging case, the Bluetooth headphones ensure that your day runs smoothly from the first call to the last music track. With fast charging function
- Block out everything you don't want to hear with Jabra Advanced Active Noise Cancellation™ (ANC). The high-performance ANC of the Elite 10 automatically adjusts the sound to what's happening around you, no matter where you are. With twice the performance of Jabra's standard ANC, the Advanced variant reliably filters out noise even in the most demanding environments
